Respected Sir,

it is learnt that the post of Assistant Public Prosecutor is going to be filled and one Mr.S.C.JavaliPleaderhas applied for the same.In this connection it is necessary to bring to your noticesome salient points about the character and political life of the said person. He is anti-government and pro-congresstoo.In the recent disturbanceshe was helping the sabotagers by money and giving shelterin his house at Haveri He is a man from Haveri sideand his father and other relations arex residing at HaveriHe alone is residing here for hispractice and he also is going to Haveri every week.As an example it may be shocking to know that the leading sabotagers who have burnt the stations of Byadigi and Savanur were residing in his house at Haveri just prior to the incident.He was a party to the conspiracy The notrious Mahadevappa Mailar was a fast friend of thisman.Paramanna Hosmani was absconding in his house at Haveri for the period he came back from to Haveri and till he was arrested.The Police will have to investigate deep into this for exploding this truth.Out-wardly he seems to be a innocent man.Even to this day the congress people if they come to Dhawar they reside in his house.He is wearing khadi.In his private talks he is strongly anti-government.

About his characterhe is very dishonest in his monetary affairs.He has misappropriated anumber of ammonts of his clients.As the prosecution was goong to be launched by one of such persons he manipulatrd to suppress it but any how it became known to all So he has left Haveri as his name was spoiled and is now pracising at Dharwar in new field.

In the interest of Justice and the smooth administrationthe Governmentshold kindly consider this matter seriously for the post is a responsible one and public saftey is at stake.
